To whom it may concern

I'm writing

a few lines to praise your young electricians that came to my house to rewire.

They were so thoughtful and considerate and they couldn't do enough to help me I'm a widow and I'm sixty three years of age and I can't do a lot of things myself. Their manners are wonderful you don't come across many boys like them today.

That's Sean Merion
Gavin and young Luke. I

don't know the names of the other boys. Thank you very much
